VIKASAN KENDRA (R)

Plot No. 67, Jadhav Nagar, Beside Rail Nagar, BELAGAVI-590019 (Karnataka)

Date : 24 - 02 - 2020

To:
Dr. K. C. Kulkarni,
Principal,
T M A E Society's College of Education,
Prashanth Nagar,
Gangavati - 583227
Koppal District.

Sir,

Sub:- **Organising a workshop on "Science Communication through Traditional Folk Media GiGiPada" (reg...**

I, the undersigned, Mr. Sanjay B. Magadum, President, VIKASAN KENDRA, Belagavi wish to introduce our organization-VIKASAN KENDRA as a registered Voluntary organisation established for the purpose of organizing and implementing need based and feasible actions for poverty alleviation, improving social, educational and health conditions of the rural and urban poor, training in human resources development, promotion of Science and Technology, Protection and promotion of Child rights, women rights and human rights and promotion of environment up-gradation.

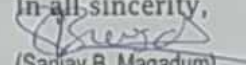

With the coordination and support of National Council for Science and Technology Communication (NCSTC) - Department of Science and Technology, Govt. of India, New Delhi, VIKASAN KENDRA has been organizing -workshops on "Science Communication through Traditional Folk Media - GiGiPada" (in Kannada language) basically for the benefit of students of Education (B.Ed & D.Ed.), Science graduates, and the teachers in the educationally backward districts of Northern Karnataka.

The workshop of Gangavati, is planned to organize in the month of March 2020 in collaboration with your esteemed College at TMAE Societies B.Ed College, Gangavathi. As per the normal schedule, the programme starts on at 10.00 a.m. on the first day with registration of participants and small inaugural function and will be concluded on 3rd day at 4.00 p.m. with valedictory function and distribution of certificates to the participants. VIKASAN KENDRA will bear the entire expenditure of the workshop including light lunch / refreshment for the participants and will pay Rs. 5,000/= to your college towards maintenance charges of the Hall allocated for organizing the workshop.

Therefore, I hereby request your kind self to accord your permission to organize this useful workshop at your college and to extend the cooperation thereof. We look forward for a fruitful coordination in organising this proposed workshop at your college for the benefit of society.

Thanking you,

In all sincerity,

(Sanjay B. Magadum)
President
VIKASAN KENDRA
BELAGAVI

REPORT

Department Of Science And Technology .Govt Of India, National Council for Science And Technology Communication New Delhi. (NCSTC), in Association With Vikasana Centre Belagavi. and T.M.A.E.S College Of Education Gangavathi has jointly organised five days work Shop On Communication of Science Through Folk Media And Gigipada from 3/3/2020 to 5/3/2020. at our College.

First day morning at 10.30 am we have started the function with inauguration with lighting a lamp. Function inaugurated by Dr. Lingaraj Ramapur, Resource person, Sri Shankranna Sankannavar,, Janapada Vidwamsa Rona and our college Principal Dr. K.C. Kulkarni. After the function students have been divided into 10 groups for training purpose each group limits to 10 students. Resource persons have given training to all 10 group students about Communication of Science through Gigi pada and Folk songs in a different and interesting way. Students have allotted different science chapters from 8,9, and 10 standard to present the science topics with GIGI PADA and Folk Media.

Second day morning at 10.30 am we have started the session 3 group students have presented the allotted science topics with GIGI PADA, and Folk Media. After their presentation resource persons have identified the mistakes of the students and given feedback. Afternoon session was started at 2.30 after a lunch break from 1.30 pm to 2.30. Remaining 2 group students have presented their allotted topics, resource persons again they have identified their mistakes and make it correct.

Third day function has started at 10.30 am and 3 groups out of remaining 5 groups students have presented their previously allotted science topics with GIGIPADAA Folk Media. After the completion of the 3 groups presentation resource persons have identified the mistakes of the students and guide them. Afternoon session was started from 2.30 pm after a lunch break from 1.30 to 2.30. Remaining two group students have presented their science lesson, the resource persons identified their mistakes and make them correct. The valedictory function began at 3.30 pm resource persons guests, and president of the function have distributed the certificates to all the 10 group students. Students have given very nice and excellent opinion about the three days workshop. Workshop has ended with a vote of thanks to all the guests and students participants.
