#### 15. Multidisciplinary / interdisciplinary

National Education Policy proposes their vision and revamping of all aspects of the education structure, including its regulation and governance, to create a new system that is aligned with the inspirational goals of 21st century education, including SDGs, while building upon India's traditions and value systems. It further proposes multidisciplinary and a holistic education across the sciences, social sciences, arts, humanities, and sports for a multidisciplinary world in order to ensure the unity and integrity of all knowledge. To acquaint about all the upcoming changes in the educational field according the new norms of NEP, the institution already has made a preparatory action. Since institution's vision and mission statements represent the idea of trans disciplinary and interdisciplinary components of

academic and non-academic programmes, we are predetermined to implement NEP.

#### **16.Academic bank of credits (ABC):**

At present the institution follows the course structure of the University of Vijayanagar Sri Krishnadevaraya University, Ballari. The course consists of 4 semesters combined with school-based, college, and community-based practicums. The course has a two-year duration and as per university norms dropping out of the course will cause a year loss for the students. Academic bank of credit is meant to increase the student's freedom in choosing their courses and academics and enabling them to drop out in any year and then exchange the credits earned so far with a certificate/diploma if they are eligible. At present institution has not designed any specific strategies to integrate the same in the institutional policy. However, in future steps will be taken for students to redeem the credits and rejoin the same or any other institute in the future and continue their education.

#### **17.Skill development:**

The institution gives paramount importance for skill development. To align and empower the youth with 21st century skills to achieve the vision of up skilling the youth the institution organises various programs and events. Communication skill, soft skills, technological skill etc. are developed through creating deliberate experiences in and outside the campus. Soft skills such as self awareness, empathy, interpersonal relationship, conflict management, time management etc. are ensured inferentially through specific programs of the institution. Activities like hosting programmes, sharing of teaching-learning content, joint content development, hosting joint activities such as art and science exhibitions, sports meet, quizzes and debates, and fairs, cooperation and support for schools, improved governance are explicitly carried for attainment of the required skills and efficiencies. In the coming years to integrate NEP, the institution plans to establish skill labs and skill enhancement initiatives like courses for vocational development, collaboration with other institutions etc are exploring.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Indian knowledge system is a collective range of Indian Knowledge that has exhibited in systematised ways of knowing. It encompasses the foundational knowledge, Science, Engineering & Technology, Humanities and Social Sciences through a structured

classification. This knowledge has evolved over millenniums. It has a wide range of several beaches such as Astronomy, Ayurveda & Yoga (Health and Well-being) Mathematics and Computing, Languages and Linguistics, Metallurgy, Rasa-Shastra, Public Administration, War Technology. Management Science and many more. The institution vision depicts the creation of prospective teachers with a global outlook imbued with India's rich heritage of cultural and spiritual values. The institution already in the path of comprehending Indian culture based educational system and practices. Students in the institution receive ample opportunities to take part in divergent activities which expose traditions and culture. Competitions, celebrations exposure to music, arts and education are meant for achieving this pre-determined objective.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Outcome Based Education possesses the power to transform the learning experience of students and must be embraced by educational institutions for enhancing their knowledge & skills. The university offered B Ed program has its own has clearly stated Programme Outcomes (PO), Programme Specific Outcomes (PSO) and Course outcomes (CO). The subjects taught in the semesters have its own specific outcomes. To orient students and teachers about the OBE, The IQAC of the institution has taken progressive steps. The IQAC initiative of regular intervention and feedback analysis helps both the teachers and students to acquaint with OBE. Apart from that institution also suggests students Exposure to MOOCs courses, Challenging assignments and seminars for group discussions., Emphasis on developing research-oriented skills, Emphasis on differentiated learning for inclusive classrooms, Value based education through curricular and co curricular activities, Rubrics based assessments for a internals, projects, practical aspects, practice teaching and internship programme are some initiatives for acquainting OBE.

#### **20.Distance education/online education:**

The pandemic has forced institutions to have a Definitive program for online education. Our institution has used this opportunity to explore the potential of our faculty and infrastructure in offering courses through online platforms. The institution used diverse online portals and presentations, seminars, games puzzles, quizzes, Google forms, and so on. Google Classroom supports the students in communication and collaboration with others. ICT integration in educational attainment helped a lot to acquaint teachers and students with the ideas of online

education. Since distance education is getting its relevance in the education sector, the institution is proposed to set the infrastructure for launching more programs and education that benefit the public according to the university norms and procedures. The existing digital platforms are used extensively with interactive panel boards in all classrooms. Through these initiatives, the institution is trying to adapt to NEP.
